

I share this history with my colleagues and with the Nation today, not only because the 60th anniversary of the Dover Air Force Base represents our proud military tradition so well, but also because the history of the Dover Air Force Base is very much a part of the history of Delaware. We do not merely co-exist with the Base; it is a part of our State family, a part of our community of friends and neighbors. And so we are especially proud, and so very grateful to those who have served.

Congratulations to Colonel Scott Wuesthoff, the current Commander of the 436th Airlift Wing, to Colonel Bruce Davis, who just assumed command of the 512th Airlift Wing, and to all personnel who serve out of Dover, on the 60th anniversary of the Air Force Base, with the respect and thanks of your neighbors in Delaware, and of all your fellow citizens.

IDAHO TEACHER WINS PRESTIGIOUS AWARD

• Mr. CRAIG. Madam President, I rise today to recognize a teacher from Idaho who has achieved national recognition for her work in physical education. Danette Lansing, from Eagle, ID, has been chosen to receive the Disney American Teacher Award, one of only 36 teachers chosen for such an honor. In fact, she was chosen from among that select group as one of the top ten teachers in the Nation, and the top teacher in the "Wellness/Sports" category.

It is a great honor for the people of Idaho that a teacher from our State has won this award. It has always been my belief that the education system in Idaho is one of the finest in the Nation, and having a teacher from Idaho chosen for the Disney American Teacher Award only reinforces this belief. Our State has produced many fine teachers and students over the years, and this award is merely an outward indication of what Idahoans already know.

One look at her career shows why she was chosen for this award. As a physical education teacher, she has done much for the students of Eagle Elementary School to make them more active and increase their physical health. As Bart Roen of Disney said about Miss Lansing's selection: "If I had to pick one thing, it's the creativity . . . the kinds of things she does and how well it ties in with what she teaches the kids." For example, her success in creating a walking club at Eagle Elementary School has not only students walking during lunch, but also teachers and neighbors.

Not surprisingly, this is not the first award Miss Lansing has won. In 1999, she was named Idaho's Physical Education Teacher of the Year. However, these awards pale in comparison to the high praise her students have for her. In fact, one of my own staff members

had children who were students of Miss Lansing's, and he reports that she was one of their favorite teachers. It has been obvious to the people of Eagle and the State of Idaho that she is a great teacher, now it will be obvious to the Nation.

As you can see, Danette Lansing is truly a treasure for her school, for Idaho, and indeed for the Nation in general. Teachers like Miss Lansing make education a rewarding experience for students and parents alike. I am proud that she was chosen for the American Teacher Award. She is a great example for the rest of the State and the Nation, and I hope this award gives her a platform so she can help other teachers to have the same success she has.●
